

### REMARKS

Claims 34, 35, 37-44, 46-50, 54 and 64 have been provisionally rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 84, 95, 99, 112, 122, 123 and 125 of application No. 10/054477.

Applicant is submitting herewith a terminal disclaimer designating application No. 10/054477 to obviate the basis for the provisional double patenting rejection. Claims 34, 35, 37-44, 46-50, 54 and 64 are therefore submitted to be patentable to Applicant.

Favorable reconsideration and allowance of all pending claims are solicited.

Respectfully submitted,  
Albert K. Chin
